**Notes to Editors**

Gate Ventures Plc was founded in 2015 to make investments and capitalise on investment opportunities in the media and entertainment sectors. The Company focuses primarily on investments and operational opportunities in the UK and China covering theatre, television, media technology and e-commerce.

The Company's investments include various theatre productions such as the successful Sunset Boulevard and the upcoming highly anticipated 42nd Street, virtual reality ("VR"), and technology companies Bink and PlayJam amongst many others. Gate Ventures has made a total of nine investments since it was established, and to date, has successfully raised over £14 million reflecting the Company's significant growth thus far.
